

Financial Matters

Dear Friends:

We have a heart's desire to assist you, with the help of the Lord, the Word of God, our professional training and life experiences. To keep this ministry continuing for you and for others, we call your attention to the financial matter.

The normal cost for private individual counseling at this level is \$80 per session. If you have an adequate income, we would appreciate your financial support in that amount.

For those who have lower incomes, the following sliding scale will assist you in determining a reasonable payment to this ministry for each counseling session.

Weekly Gross Income		Amount
\$1,050.00	to \$1,200.00	\$60.00
\$865.00	to \$960.00	\$50.00
\$730.00	to \$790.00	\$40.00
\$595.00	to \$680.00	\$30.00
\$0.00	to \$500.00	\$25.00

Thank you for helping someone else receive help, too, by sustaining this ministry financially. Please indicate the amount of financial support we may expect during the period of time we are helping you with counseling by completing the spaces below.
